

BRUCE WEBSTER

FRONT-END DEVELOPER

Hello, I'm Bruce Webster, a multilingual Teacher and Front-end Developer with a diverse background in education and programming. I discovered my teaching passion in 2019 and my programming passion in 2020, specializing in web development with HTML, CSS, and JavaScript. I'm dedicated to crafting user-friendly web solutions and eager to collaborate.

SKILLS

- HTML5
- CSS, Tailwind, Bootstrap
- Javascript, React
- PHP

EXPERIENCE

LANGUAGE TEACHER

Academia de Lenguas 2019 - 2020

I taught English, Spanish, and Italian in the Dominican Republic, providing language education in this diverse and vibrant country.

LANGUAGE TEACHER

Sapienza Academy 2020 - 2023

WEB DEVELOPER

Freelance 2020 - Present

I have primarily worked with HTML5, CSS, and vanilla JavaScript but continuously expanded my skill set by delving into technologies like React, PHP, and both relational and non-relational databases.

LANGUAGES

- English
- Spanish
- Italian
